

Down

- An orphan that Guy primarily divides in two
 Apple festival
 As some Brits say, warm up and chow down
 Audibly requests to enter fort that's tough to get into
 Beginning of the day spun wildly around you when texting?
 Borat moved around a drum
 Clumsily handled what occurred at daddy's marriage ceremony
 Coddle Spanish grease
 Drunk bum under center of ledge is speechless
 Half the combatants retreating head first, ignoring the odds
 Human resources is after Los Angeles Lion player
 I heard!
 Institute Day came out of order
 Lead in Othello's done crazy theater
 Like some cars spliced together after removing the hood
 Make a roof close with wax when spoken

Across

1. Great work coat lives around corporate head
 5. Warships vex extremely lengthy spawns
 12. Doctor next to a mother house, for example
 13. Finally taped Yemeni city in 2-D; it goes nowhere
 14. Leap down a tree evenly in commercially supported programs?
 16. Stellar! The rock star hides soap suds
