

LOSERS

The way politics goes, one day they want to put you on a stamp, the next you're the butt of dumb jokes.

Documentary film positing spiritual connections between consciousness and quantum physics

Donald Trump's December 9th promise about the efficacy of his giant wall

Engaging in ill-advised, quixotic pursuits

Expression of desolate hopelessness and futility heard in a Queen hit

Group involved in the construction of the Bonneville Dam, the Panama Canal, and the Pentagon

In which Sora and Yokomon have some crazy misadventures on a subway train

In which young Bingo is clustered around, Corky embarks on an artistic career, and Bertie changes his mind

Jimmy Buffett's plans for cuddling early in the week

Much-hyped film of 2006 in which a bunch of twisted characters get high

Relatively comfortable sort of touchdown

Saying advising exercising something lest atrophy occur

"The past is the past", per Thomas Wolfe

"There's exciting stuff happening around here constantly!"

What you'd have gotten had you purchased Sea-Monkeys® from the back of a comic book
