Across

Bring us some tidings
 Citizens come adore angels
 Corncob silk and broomstick
 Eskimos roasting chestnuts
 Fire of fair green leaves
 Foggy Santa names games
 Follow jolly gay apparel
 Hills shone everywhere
 Nell will nick dolly
 Sleigh in bright open fields
 Soon holiday style will stop
 Soul felt thrill and pining
 Stephen, poor man, lay round

Down

Children cheer favorite snowflakes
 Christ ships three angels
 Gather your troubles
 Golden maids calling partridge
 Holy quake!
 Host and angels reconciled
 Plan on love and mistletoe
 Prepare room and sing
 Satan's poor dismay
 Star above little lamb
 Sweet clear voices sing "Ding Dong"
 The sky is verily ringing
 Traverse mountain bearing incense
