

FIRST CONTACT LENS

Earthlings should look through the First Contact Lens to see things as Aliens see them.

ALIENS	EARTHLINGS	ALIENS
Go from juice to cider, say	007	A certain carriage or convertible
Increased in volume, musically	Claim as a belief	Cemetery, informally
Muse of dance	Clandestine	Part of a fork
Portending bad things	Condition of being confused or agitated	Resembling winged seed vessels
Snack made with almonds and egg whites	Cooler, in brief	Select again
Soap bar	Downside	Series of steps
Some canonical hours	Like Elizabeth Taylor's eyes	Treated with a preservative, like telephone poles
	Orange or mandarin's kin	
	Plant-eating creature	
	Pretend	
	Rocky's foe Apollo	
	Sound in a canyon	
	Surmounted a peak	
	Three-dimensional scenes	

MARTIANS (3/3)
... see everything tinged with red.

TRALFAMADORIANS (9/6)
... love to introduce their fluid perception of time.

VULCANS (4/3)
... suppress their emotions

VOGONS (4/2)
... write very, very bad poetry

MERCURIANS (2/6)
... deal with temperatures on a whole different scale

SATURNIANS (7/7)
... see rings everywhere

PIERSON'S PUPPETEERS (6/4)
... are cowards, in a constant state of retreat
