

## #3 - Telescope

*In the company of Sig. Galileo Galilei*

*The home of Galileo Galilei, Arcetri, Italy, 1636*

*(Correspondence translated from the Italian by the handheld, solar-powered, low-carbon-emission time-and-space dilation device)*

"They called me a heretic. I'm under house arrest for the rest of my life, just because of a surprising discovery I made. You know what was surprising? The Roman Inquisition! That was surprising. I had heard of the Spanish Inquisition, you know, but the Roman Inquisition? I wasn't expecting that."
