

DREAM LAYER 

SHADY LABYRINTH

I.H.T.F.P.: *In a dream, you can cheat nature and architecture into impossible shapes. This forest was designed by one of our shadiest architects.*

YOU: *You must be joking. What kind of clown would build a forest with no dead ends?*

I.H.T.F.P.: *You'll have to burn it down to find some blank space. So seriously, want to write your name?*
